Superseded materials from across the I2S website are archived in this section. Please note that links in these materials are not updated and may be 'dead'.

- **Past I2S updates** records all I2S updates showcased on the home page.
- **AIC 2014 digital posters** lists information on how to submit and view digital posters for the Second Biennial Australian Implementation Conference.
- **ANU Integration News** was produced from September 2007 to June 2011 for staff and students at The Australian National University (ANU) with an interest in research integration and implementation. It was replaced by **I2S News**, which has an international reach.
- **Previous courses** were run between 2007 and 2013 for research leaders and graduate students.
- **Unified systems concepts and toolboxes** was a product of the 2006 Fuschl conversation organised by the International Federation of Systems Research.
